**Today's Faces of Gilda's Club** will honor people who are touched by cancer, increase awareness of cancer in the western PA region, and provide financial support for the ongoing efforts of Gilda's Club to offer **FREE** social and emotional support for anyone touched by cancer.

### Criteria for applicant/nominee:

Applicant/Nominee must be:

1. A resident of Western Pennsylvania and over the age of 18.
2. Touched by cancer (can include survivors, family members, friends, caregivers, professionals and others that champion cancer care and awareness).
3. Willing to raise a suggested \$2,000 between February - June 2012 to benefit Gilda's Club Western Pennsylvania. We suggest you consider writing a personal letter to friends/family or we can help you prepare a personal message that can be sent electronically to friends/family to encourage their support of your campaign. The goal is to make this as easy as possible for you as well as help Gilda's Club build awareness by reaching out to your network of friends/family. Some faces enjoy coordinating their own fundraising event which is also appreciated. Regardless of the method you use to secure financial support, the primary goal is to make this the most enjoyable and enriching experience for you.

The selected "Faces" will be announced our kick-off event at Gilda's Club on Wednesday, February 15, 2012 (6:30pm -8:00pm. The "Faces" will be provided opportunities to be mentored by Faces from previous years for help and advice with regard to fundraising.
